

*¡Vive tu vida! – Get Up! Get Moving! ®*  
**“Hack to the Future” – A Youth Career Exploration Experience!**

The Nation’s Premier Annual Physical Activity and Hispanic Health Celebration  
in Valencia County at Daniel Fernandez Community Center 1103 Hwy 314, Los Lunas NM

Date: Sat. August 4, 2018 From 9am-1pm (set-up @ 8am)

We are seeking employers who are interested in increasing the work skills and employability of Valencia County’s youth.

**Come be part of our 2018 community event: “Hack to the Future” a Youth Career Exploration Experience!**

Our theme is “Hack to the Future”, so we request that you decorate, dress up, and design your materials with that in mind. This event will be indoors and is part of a larger event that will have health and wellness elements outside as well. While this is NOT a job fair and we are NOT asking you to screen employees for specific job openings, you are invited to participate in the following ways.

**Selfie Station and Tabling with a Purpose** ~ To expand young peoples’ horizons and increase the job possibilities that youth see for themselves, we are asking that you provide a staff person to facilitate a selfie station complete with backdrop, uniform or tools of your trade so that youth can take pics/videos and post to social media. In addition, we would ask that you send a list of type of jobs (some entry level, some mid-level and some executive level) that exist at your company with 3 hard and 3 soft skills listed for each so our next generation of employees can get a sense of what is expected of them as they start to “hack their future”. Our team will create a handout for you from this list. Please email this list and your logo for inclusion on that handout to [dianaegood@state.nm.us](mailto:dianaegood@state.nm.us)

**Mock Interviews** ~ Be a part of a team of adults that are willing to sit down with youth and give them practice at interviewing for entry level jobs. The questions and feedback forms will be provided.

**Internship Offers**~ If your business offers well-designed, well-supervised youth internships (preferably paid), come prepared to explain the experience you can provide as well as descriptions and applications.

**How will you participate? Check all that apply.**

Selfie Station/Tabling with a Purpose  Mock Interviews  Internship Offers
