

2024-2025

**Head Start / Early Head Start/
Year Round Dual + NM PreK / Camino**

Health Services Chart

30 Days	45 days	90 days	On-Going/ Follow Up
Insurance	Vision	Physical Exam/ Well Child Check	If a child refuses any screening staff must re-screen in two weeks.
Medical Home	Children Birth to 12 months of age must use the Paper vision tool "18 Vision Development Milestone from birth to Babys first birthday"	EHS required at: Birth, 2, 4, 6, 9, 12, 15, 18, 24, AND 30 months of age	Abnormal screening found on wcc or dental. As well as the following screenings lead, hematocrit and vision:
Must be a doctor's office and not an urgent care or emergency room.		HS required at: 2, 3, 4, 5 years old	- Abnormal screening identified on a well child check or dental exam referral sent to family. - Abnormal screening for vision, hematocrit and lead. <u>Center Director/Service Specialist will call parent</u> and let them know results and that a health referral form will be in the child's box. <u>CD/Service Specialist will fill out the health referral form</u> and make a copy. The copy of the Health referral form goes in file and original to parents.
Dental Home	Children 12 month to 5 years old must use the Spot Vision Screener	Blood Pressure for children 3-5 years only	
If family does not have a medical home or dental home, please refer to service providers closest to the family.		Hematocrit at 12 mo. of age or if no hematocrit is on record	
If families don't have medical insurance refer to Medicaid enrollment.	Hearing	Lead test at 12 mo. AND 24 mo. of age.	Abnormal screening for hearing and blood pressure staff must re-screen in two weeks.
If family is ineligible for Medicaid refer to no cost/low cost providers in the community.	Children Birth to 3 years old use the OAE Hearing Machine.	If child is over 24 month and there is no record of lead at 24 months old, then child will need a lead test.	- If abnormal after second screening <u>Center Director/Service Specialist will call parent</u> and let them know results and that a health referral form will be in the child's box. <u>CD/Service Specialist will fill out the health referral form</u> and make a copy. The copy of the Health referral form goes in file and original to parents.
	Children 3-5 use the Pure Tone Hearing Machine. Use OAE if the child is not able to comprehend the Pure Tone	Dental Exam	
	For children with developmental delays or child is unable to comprehend the steps on the pure tone please use the OAE machine	Required every year starting at 12 months of age or first tooth. Whatever comes sooner.	Health Services Manager will share a tracking sheet with all Center Directors/Service Specialist where children with referrals will be added as well as communication done by the CD/Service Specialist.
